

2023 Blue Cross and Blue Shield Service Benefit Plan - Standard and Basic Option
Section 5(a). Medical Services and Supplies Provided by Physicians and Other Healthcare Professionals
Page 46

Benefit Description

Preventive Care, Child (cont.)

Note: Preventive care benefits for each of the services listed below are limited to one per calendar year.

- Screening for hepatitis B for children age 13 and over
- Screening for chlamydial infection
- Screening for gonorrhea infection
- Cervical cancer screening tests
 - Pap tests of the cervix
 - Human papillomavirus (HPV) tests of the cervix

Note: See page [44](#) for covered BRCA testing.

- Screening for human immunodeficiency virus (HIV) infection
- Screening for syphilis infection
- Screening for latent tuberculosis infection for children ages 18 through 21
- Nutritional counseling

Note: If your child receives both preventive and diagnostic services from a Preferred provider on the same day, you are responsible for paying the cost-share for the diagnostic services.

Note: When nutritional counseling is via the contracted telehealth provider network, we provide benefits as shown here for Preferred providers. Refer to Section 5(h), *Wellness and Other Special Features*, for information on how to access a telehealth provider.

Note: Any procedure, injection, diagnostic service, laboratory, or X-ray service done in conjunction with a routine examination and not included in the preventive listing of services will be subject to the applicable member copayments, coinsurance, and deductible.

Note: See page [112](#) for our payment levels for medications to promote better health as recommended under the Affordable Care Act.

Standard Option - You Pay

Continued from previous page:

Note: We waive the deductible and coinsurance amount for services billed by Participating/ Non-participating providers related to Influenza (flu) vaccines. If you use a Non-participating provider, you pay any difference between our allowance and the billed amount.

Basic Option - You Pay

Continued from previous page:

Note: When billed by a facility, such as the outpatient department of a hospital, we provide benefits as shown here, according to the contracting status of the facility.

Benefit Description

Not covered:

- *Self-administered health risk assessments (other than the Blue Health Assessment)*
- *Screening services requested solely by the member, such as commercially advertised heart scans, body scans, and tests performed in mobile traveling vans*
- *Physical exams required for obtaining or continuing employment or insurance, attending schools or camp, athletic exams, or travel*
- *Immunizations, boosters, and medications for travel or work-related exposure. Medical benefits may be available for these services.*

Standard Option - You Pay

All charges

Basic Option - You Pay

All charges
